

# Mother of Sorrows School News

**Featured Teacher:** MRS. AMOROSE, KINDERGARTEN  
Mrs. Amorose has been teaching Kindergarten at MOSS since 1988. Mrs. Amorose has a B.S. in Elementary Education from Slippery Rock University as well as her Masters Degree in Education from the University of Pittsburgh.

Mrs. Amorose's class will begin her favorite unit, "People Around the World". The children will learn about the seven continents and have guest teachers (parents or grandparents) present various countries. Mrs. Amorose states, "What a blessing to be able to integrate Christianity and Geography!"

When asked about their teacher, some students had this to say: "She lets us do work and do papers and playtime everyday!" and "She is nice and she lets us clean up every time we have play time. Thanks for being such a great teacher, Mrs. Amorose. We are blessed to have you!"

The MOSS Marathon has been moved to October 7th. This is one of our four main fundraisers at the school and it needs your support to make it successful! There are two big changes to the Marathon this year. First, it has moved to October. We are hoping for nice weather for the kids to run and walk! Next, we giving each family 10% of what they raise directly towards tuition. As always, sponsors and gifts for the Marathon are needed. If you can contribute please contact the school office and ask for Mrs. Judy Zsak.
