

We will be Putting Everything Together for Success (PETS) in Fourth Grade this year, so we would like to welcome you as we fish in the marvelous Mother of Sorrows School to connect all the puzzle pieces of our exciting curriculum!

We do not want to “pets”-er you, but it is time to round-up your school supplies and not horse around. Make sure you sniff out the supply list on the MOSS website (www.mosschool.org). We will label all supplies at school. Please bring all supplies on the first day of school. Don't be a turtle... feel free to bring your supplies early.

We'll be “fish”-ing into the school year with Mrs. Holes and Ms. Battaglia. Both homerooms will ferret out Math and Science with Ms. Battaglia. For Religion and Language Art, both homerooms will “fur”-ther train with Mrs. Holes.

We realize that teaching your child is a privilege, as well as a tremendous responsibility. We will do our best this year to ensure that each student has a motivating and safe learning experience in the classroom. However, we cannot do this alone and we need your help. We all need to be partners in the learning process. We know that we are going to have a wonderful year.

We want to tail you how we look forward to your taking a bite out of the start of fourth grade so you will have a “dog”-on fun year. Please join us on August 29, 2011 as our excitement begins! Don't forget to bring your supplies so you won't be in the doghouse.

So bring a photograph of your favorite PET and make no bones about it, we will have a “paws”-itively successful school year.

We're not “kid”-ing you that we can't wait to “dig-in and not just scratch the surface as we birds of a feather flock together to get a new leash on learning with you!
