## What's New

### Author's Tea

On Wednesday, first grade held their annual Author's Tea event! What a wonderful way to celebrate students' writing! During this event, students had the opportunity to share their stories with their peers and special guests! This event not only boosts confidence but also fosters a love for writing and storytelling among young learners! Congratulations to all of our amazing aspiring authors!

### Readers Theater

The Fourth Grade will be performing a Reader's Theater Friday, May 16, 2025 at 6:30 p.m. in the cafeteria. A Reader's Theater is a style of theatre in which the students will use vocal expression to help the audience understand a short story or poem. A Reader's Theater also is a reading strategy that can improve reading fluency.

The Fourth Grade has done an amazing job choosing or writing their own poems or short stories. They have practiced independently and are prepared to confidently and proudly present their stories. They also created a poster with gorgeous art that matches their readings.

Mrs. German, Mrs. Ducruet, and Miss. Gutt are very proud of the Fourth Grade!

### Talent Show

Over 40 MOSS students let their light shine at the annual Night of Talent on Tuesday evening. Many upcoming musicians performed playing a variety of instruments from piano to ukulele. In addition, there were six dancing acts, eight vocalists, and an array of other talents displayed including Taekwondo, Jump Roping, and a Comedy Routine! As is our MOSS tradition, 8th graders served as emcees for this fun and entertaining evening!
